**GREAT DIVING HOLIDAY LOCATION** - Known as the Sapphire Coast it has everything you need for a relaxing holiday. Within a short walk from the lodge is the thriving but still small town of Merimbula on the lake shore with many restaurants, clubs & shops.

Dive sites include **Short Point Bommie** is an excellent rocky reef dive a short boat ride of only 15 minutes from the Merimbula Marina. This bommie abounds with schools of fish, Port Jackson sharks, soft corals, sponge gardens and walls of mussels. Starting at approx. 5m in depth down to a maximum of 20m.

The **Henry Bolte**: Merimbula Divers Lodge maintains a mooring on this wreck sitting in 24m of water with the superstructure now collapsed to one side. This wreck has attracted a large variety of schooling fish. The depth allows for longer dives, which makes it perfect for a first wreck dive.

The **Tasman Hauler**, sitting upright in 30m of water, it is easily penetrated. The wreck is covered in colourful sponges and jewelled anemones. Ideal for Wreck, Deep and Photography enthusiasts.
