Port Stephens Marine Park Wonderland

Weekend Escapes 2010

13-14 Feb with Scott Igyarto

17-18 April with Josie Ruth

15-16 May with Dave Young

Hello Dive 2000 divers!

Escape Sydney and join us for some fantastic diving at Nelson Bay, Port Stephens. Approximately a 2 ½ hour easy drive up the coast.

Excellent Diving: We have specifically chosen shore dives for our diving agenda at Port Stephens because they are so incredibly good here. Every dive is a very short walk from the car into the water – you are likely to be surrounded immediately by schools of Bream, just remember to look up and around for schools of Kingfish and Yellowtail. Ahead is an amazing sea scape of sponges – a brilliant myriad of colours with marine life everywhere! It just doesn't stop!

Wobbegongs enjoy this area and your dive is like this right to 25 meters! For our photography friends, there is an award winning picture wherever you look. This is the stuff we like!

Boat Dives Included: We have included 2 boat dives to some of the many offshore islands in the area that offer a variety of marine life encounters ranging from unique NSW fish species to Grey Nurse Sharks or various species of rays.

Fantastic Location: On our "Free Time", enjoy some of Nelson Bay's boutique shopping, or have a quiet time relaxing with a good book.

To help make our weekend dive holiday even more fun, we discovered a small winery close by to Nelson Bay called "Divers Luck" Winery where you may choose to visit and enjoy some fine wine tasting. A great place to stock up on your wines for the weekend and obtain some great souvenir dive theme wines for your cellar.

Accommodation: We will be staying in Divers Lodge accommodation which includes all bed linen and bath towels.

There will be some wonderful diving and lots of fun. We can't wait to go back!

PORT STEPHENS DIVE TRIP NELSON BAY

COST: \$269 for club members per person**

\$289 for Non-Members

\$119 for Non-Divers
